

Debbie Klapp Memorial Pharmacy Fund

Our friend and colleague Debbie Klapp passed away on June 26, after a courageous battle with breast cancer. Debbie was an advocate of the pharmacy profession throughout her career and during her 17 years at the college impacted countless of students and faculty through her fundraising efforts.

In honor of Debbie's dedication and commitment to the profession of pharmacy and the college, we are creating the Debbie Klapp Memorial Fund to support the students and faculty at the University of Florida College of Pharmacy. Our goal is to reach the level needed to endow the fund so it will permanently continue Debbie's legacy. In addition we are naming a bench in the HPNP courtyard in her memory so the countless students who congregate under the Florida skies will remember her.

If you would like to honor her memory by supporting the fund please fill out the form below and fax or mail with your gift to the address below. Acknowledgements will be sent to Debbie's husband, Jon and son, KC.

*"Fundraising is much more than asking for a check; it's more about listening than asking. I had the chance to live eight decades vicariously as I talked with alumni and I take with me so many wonderful experiences."
Debbie Klapp*
