Smoking Cessation

Professional Experience

July 2002 – Present

**University of Florida College of Pharmacy –
Jacksonville, FL**

*Assistant Dean/Campus Director/Clinical Assistant
Professor*

My primary responsibility when first hired was to develop the campus from scratch. Responsibilities now include continuing development of the campus, overseeing all campus activities, creating campus schedules, planning and implementing courses, facilitating classes, advising students in coursework and organizational activities, developing campus programs and activities, serving as a liaison between professors in Gainesville and the distance

campuses, managing the campus budget, hiring proctors and facilitators, recruiting preceptors and faculty advisors, and developing new research.

January 2003 – Present

University of Florida College of Pharmacy – Working Professional Pharm.D. Class Facilitator
Responsibilities include collecting homework, proctoring exams, conducting workshops and class discussions, grading case studies, and acting as a preceptor for Clinical Practice Assessments for working professional Pharm.D. students.

August 2008 – Present

River Garden Retirement Home – Clinical/Consultant Pharmacist
Responsible for maintaining appropriate therapy of patients on warfarin through INR monitoring, dosage adjustments, and chart reviews. Other services within the pharmacy, including medication order review and processing, are provided as needed.

August 2003 – 2005

Accardi's Clinical Pharmacy – Orange City, FL
Part-time pharmacist
Perform the duties of a community and consultant pharmacist including filling prescriptions, consulting in area nursing homes, counseling patients, and advising physicians. Other clinical duties include writing medication consults for Psych patients.

August 2000 – 2002

Seminole Community College – Sanford, FL
Adjunct Faculty Member in the Health Professions Institute

June 1999 – July 2002

Florida Hospital Deland, Rx Plus Pharmacy– DeLand, FL
Pharmaceutical Care Coordinator
Responsibilities include developing and managing outpatient clinics including anticoagulation and asthma clinics, providing discharge counseling to patients, creating didactic materials for patients and physicians, writing and preparing a monthly newsletter, and conducting patient consultations and educational programs. Also, developed and acted

as a preceptor for an ambulatory care advanced practice experience.

August 1998 – August 2002

Nova Southeastern University – Orlando, FL
College of Pharmacy Class Coordinator
Responsibilities include collecting homework, proctoring exams, and conducting class discussions for non-traditional Pharm.D. classes.

September 1998 – August 2002
