Jan. 1990 – Dec. 1994

Professor of Pharmacy and Medicine, University of Florida

Colleges of Pharmacy and Medicine. Assigned to special projects including Chairman of Non-Traditional Doctor of Pharmacy Committee and to implement the off campus External Pharm.D. Degree Program in the Tampa Bay area.

Oct. 1984 - Dec. 1989

Founder and Director, Center for Computer Applications in Pharmacy. Responsible for Center research, development, funding, and quality assurance. Supervised a staff of 12 with a budget of \$250,000/year.

April 1986 - Dec. 1989

Professor of Pharmacy and Medicine, **Founder and Director, Pharmacokinetic Services, Alachua General Hospital.** Responsible for therapeutic drug monitoring lectures for therapeutics and pharmacokinetic courses/clerkship and therapeutics course for P.A. students.

Sept. 1982 - Sept. 1984

Associate Professor of Pharmacy and Medicine, Colleges of Pharmacy and Medicine, University of Florida; Founder and Director, Pharmacokinetic Services, Department of Community Health and Family Medicine. Responsible for teaching Individualizing Dosage Regimens to Doctor of Pharmacy students, Doctor of Medicine students, and Family Practice residents.

Jan. 1981 – Sept. 2000

Founder and President, Simkin, Inc., Gainesville, FL. Sole provider for pharmaceutical care software for Baxter Healthcare, National Data Corp., Roche Labs, Nestle Corp, and Dade Microscan.. Company was purchased by Semotus Solutions of Las Gatos, CA in Sept. 2000.

Sept. 1977 - Aug. 1982

Assistant Professor of Pharmacy and Medicine, Dept. of Pharmacy Practice, College of Pharmacy, and Dept. of Community Health and Family Medicine, College of Medicine, University of Florida, Gainesville, Florida. **Founder and Director of Pharmacy Services, Family Practice Medical Group, Inc.** Responsible for Individualizing dosage Regimens to the Doctor of Pharmacy students, Designed and Delivered Pharmacology Curriculum to the Physician's Assistant students and Family Practice Pharmacy Services to Pharmacy and Doctor of Pharmacy students.

Aug. 1975 - Aug. 1977

Assistant Professor of Pharmacy, Department Clinical Pharmacy, College of Pharmacy, Samford University, Birmingham, Alabama. Responsible for Internal Medicine Therapeutics, Clinical Pharmacokinetics, and Clinical Pharmacy to pharmacy students. Consultant to V.A. Hospital, Birmingham, Alabama.

July 1973 - July 1975

Pharmacy Resident, V.A. Hospital Pharmacy, Cincinnati, Ohio. Responsible for satellite pharmacy staffing which included unit dose, intravenous additives, and hyperalimentation

services (50%). Also responsible for staffing the Drug and Poison Information Service and monitoring drug therapy for internal medicine patients (50%). Total of 3200 hours in residency.

Jan. 1973 - June 1973 **Instructor of Pharmacy**, College of Pharmacy, University of Georgia, Athens, Georgia. Responsible for Senior Dispensing Lab and Clinical Clerkship.

April 1970 - Oct. 1970

Student, Basic Training, Fort Knox, Kentucky, and **Medic Training**, Ft. Sam Houston, Texas. Responsible for pharmacology to the medics.

Nov. 1969 - March 1970 Staff pharmacist, St. Joseph's Infirmary, Atlanta, Georgia. Responsible for bulk drug distribution.

July 1969 - Oct. 1969 **Relief Pharmacist** at various pharmacies in Georgia. Responsible for entire store management while owner was absent. Total responsibility for a store's management for 3 months following owner's death.

Summers 1965 - 1968 **Pharmacy Intern**, Tift County Drug Company, Tifton, Georgia.

HONORS

2004 American Pharmacists Assn. Annual Meeting Postgraduate Best Paper Award in the Clinical Sciences Section, "*EVALUATION OF PHARMACIST INTERVENTIONS IN DIABETIC PATIENTS FROM RURAL COMMUNITY HEALTH CARE CENTERS*", Pinto, S., Segal, R., Winterstein, A., Annis, L., Robinson, D., Yates, D., Pederson, L., Willis, M.

1999, Director's Award, Working Professional Doctor of Pharmacy Program

June 1998 Chair, Case Management Geriatric Breakout Session, 5th Congress of Health Professions Educators: Future Care, Washington, DC

1992-93, Oxford's Who's Who of Extraordinary Professionals

1990-2006, Editorial Advisory Board, Annals of Pharmacotherapy

1985-90, Editor, Therapeutic Monitoring Column

May 1985-90, Panel on Ambulatory Care, Drug Intelligence and Clinical Pharmacy

April 1984, Therapeutic Drug Monitoring, Speaker's Bureau, Abbott Laboratories

Teacher of the Year 1982, Family Practice Residency Program

September 1981, Therapeutic Drug Monitoring, Speaker's Bureau, Syva Company

June 1980, Honorary Physician's Assistant

July 1976, Rho Chi Honor Society

July 1975, Who's Who of Georgia

November 1971, Distinguished Service Medal of Vietnam

June 1966, Top Ten Sophomore Academically, Abraham Baldwin College

June 1965, Top Ten Freshmen Academically, Abraham Baldwin College

CURRENT RESEARCH

Evaluating Beers' Criteria for Drug Therapy in a Retirement Community

Medication Adherence Enhancement to Decrease Total Healthcare Costs

PROFESSIONAL EXAMINATIONS

1. Registered Pharmacist (Inactive): Georgia (1969), Alabama (1976)
2. Registered Pharmacist Florida, Active
3. Registered Medical Technologist Supervisor Level (Inactive), (1980).
