University of Florida College of Pharmacy  
PO Box 100482 Health Science Center  
Gainesville, Florida 32610-0482

#### Course description:

This course combines 4-3 hour programs that were presented as a part of the 2004 University of Florida College of Pharmacy Law and Management Conference. Sections one and two are about pain management and case studies in pain management. Sections three and four are about medication error prevention and case studies in error prevention. The course is intended to provide 12 hours of consultant pharmacist recertification.
