

Hartmut Derendorf is Distinguished Professor and Chairman of the Department of Pharmaceutics at the University of Florida College of Pharmacy in Gainesville. He received his B.S. (1976) and Ph.D. (1979, summa cum laude) in Pharmacy from the University of Münster, Germany and then joined the University of Florida, first as a Postdoctoral Fellow (1981/82) and later (1983) as a faculty member. He has been teaching Biopharmaceutics, Pharmacokinetics and Clinical Pharmacokinetics. In 1995, he received the UF Teaching Improvement Award, and in 2008 the HHMI Distinguished Mentorship Award. He was awarded the UF Research Foundation Professorship (2002), the CVS Pharmacy Endowed Professorship (2007-2012) and the International Educator of the Year Award (2004-2007).

Prof. Derendorf has published over 320 scientific publications and given over 650 presentations at national or international meetings. He has published six textbooks in English and German. He is one of the editors of the International Journal of Clinical Pharmacology and Therapeutics and Die Pharmazie and Associate Editor for J. Clin. Pharmacol. He is a member of the Editorial Board of Eur. J. Pharm. Sci., J. Pharm. Sci., Res. Comm Pharmacol. Toxicol., Clin. Pharmacokin., J. Pharmacokin. Pharmacodyn. and Anti-infective Agents and Chemotherapy. His research interests include the pharmacokinetics and pharmacodynamics of corticosteroids, analgesics, antibiotics as well as drug interactions.

Prof. Derendorf won the Rottendorf-Award for Pharmaceutical Sciences (1983), the McKeen-Cattell Award for the best publication in J. Clin. Pharmacology (1994) and the Faculty Award of the University of Utrecht (2005). In 2003, he was awarded the Nathaniel T. Kwit Distinguished Service Award of the American College of Clinical Pharmacology (ACCP) and the Research Achievement Award in Clinical Science of the American Association of Pharmaceutical Sciences (AAPS). He is currently President (2006/08) of ACCP. He is past-President (2004/06) of the International Society of Antiinfective Pharmacology (ISAP). He is a Fellow of AAPS and ACCP, and member of APhA, FPA, DPhG, ASCPT and AACP. He is also a member of the Nutrition and Therapeutics Committee of the NASA Space Medicine Program and a former member of the FDA Clinical Pharmacology Advisory Committee.
