15 December, 2000

Dear Gator:

Seasons Greetings! We are going to do it again! After the last meetings in Münster (1997) and Reims (1999), we have decided to have the 3rd GlobalGator-Meeting in Dresden, Germany on June 16, 2001. The title of the symposium will be "New Developments in Clinical Pharmacy and Clinical Pharmacology". You should plan to arrive on June 15th. The meeting will start on Saturday morning June 16, 2001 and lunch will be served during the meeting. The dinner party (GatorFest) will be held at the famous castle 'Schloss Pillnitz' close to Dresden after a short boat ride on the Elbe River.

Thomas Gramatté will be our local host and has worked hard to prepare an exciting social program.

Please mark your calendar and plan to attend. Please check your mailing and email address and send corrections so we may keep in touch. The following URL address leads to the GlobalGator Home Page <http://www.cop.ufl.edu/departments/pc/formerhm.htm>. You can find colleagues and update info as needed. We have tried to make this list as complete as possible. If someone is left out, it is not intentional. So if you don't see a former Gator on the list or something is wrong let us know so we can update our file. Please let others know of the site so they can add their name to the list. The URL for the meeting home page is <http://www.cop.ufl.edu/safezone/pat/symposium01/index.htm>. Check out photos from the last meeting <http://www.cop.ufl.edu/safezone/pat/symp99/photos.htm>

All former (and present) Gators are invited, so spread the word.

More information will be provided. Looking forward to seeing you in Dresden.

Best wishes and happy holidays,

Best regards,

A handwritten signature in black ink that reads 'H. Derendorf'.
