September 30, 2009

Dear Sponsor,

On behalf of the University of Florida College of Pharmacy, I would like to invite you to participate in Career Days 2010. This annual event allows you to meet with UF pharmacy students of all class levels to discuss the opportunities available within your company and to interview possible intern, resident, or pharmacist positions.

Career Days will include all four campuses and will be offered on the following days:

January 15, 2010– Gainesville *Please note the change of date*
January 22, 2010 – Jacksonville
February 5, 2010 – St. Petersburg
February 12, 2010 – Orlando

Depending on your selection, your organization will have the option of attending as many sites as you wish, as each will have students looking for jobs and internships. Before each event, students will be informed which companies will participate at each campus. Therefore, each student will have the opportunity to visit the campus hosting the companies in which they are most interested. This includes students on rotations who may have the option to take a day off to attend the Career Day locations of their choice. Also, we anticipate that students will be excused from classes on Career Days to encourage more attendance.

To better guarantee your position at each career event, I would encourage you to consider a Gold Sponsorship. Gold Sponsors help to defray the costs of executing these events, with any additional funds going to support professional and leadership development activities for our students. Being a Gold Sponsor is also a great way to promote your company to our students. Gold Sponsor benefits include:

- Premium Exhibit Booth & Interview Locations at all four campuses (if applicable)
- Recognition in all print media (programs and signs) and during luncheon
- Participation in Sponsor Showcase (15 minute presentation) on Wednesday night prior to Gainesville Career Day
- Unrestricted representative attendance based on interview schedule

If you would like to participate, please complete the enclosed Gold or Silver Sponsor registration form and fax it to our office by **November 18, 2010**. Please note that space is limited, and companies will be able to attend on a first come, first served basis based on sponsorship preference.

Once we receive your registration, a confirmation will be emailed. This will include an invoice and all event details, including parking, directions, and contact information for the day(s) that you will be attending. Please note that the Gainesville office of Development and Alumni Affairs will process all registrations and will be the center of communication for Career Days 2010.

Please visit our website: <http://www.cop.ufl.edu/studaff/career/> for more information.

If you have any questions, please contact us at (352) 273-6605 or dpaine@cop.ufl.edu. Thank you for your continued commitment to our future pharmacists. We look forward to seeing you in January and February!

Sincerely,

Darin Paine
Associate Director of Development
