CLERKSHIPS DATES			APPE #	Sections				Month	Semester	GRAD YEAR
				GNV	JAX	ORL	STP

You will not know which, if any, of the spring months, you might have as an ‘Off Month.’ Dr. Doty will be explaining more about that to you in January (briefly, you will only register for 11 of the 12 offered APPE sections).

In the meantime, you have to get yourself registered for spring!

So, please register for both PHA5643 (APPE1) and PHA 5646 (APPE2), based on campus, of course!

IF it turns out that you have one of the spring months ‘off,’ please email me in the latter part of January, advising me of the extra section. Be sure to include your UFID! I will administratively remove you from that section.
