

HAPPY HALLOWEEN...

Make course registration a 'TREAT,' not a 'TRICK'!

Registration for spring 2010 CORE (REQUIRED) courses begins November 3rd, 2009 at 7:30 p.m.

All students are responsible for registering themselves for CORE spring courses, including APPE CLERKSHIPS! APPE section numbers are available on the website - <http://www.cop.ufl.edu/studaff/class.htm>.

Please see the associated information concerning ELECTIVE REGISTRATION and the Friday, October 30 DEADLINE for your PREFERENCES on the COP Student Affairs website - <http://www.cop.ufl.edu/studaff/class.htm>

If you have decided to work with a faculty member on a RESEARCH PROJECT (see last page of 2009-10 Electives <http://www.cop.ufl.edu/studaff/elective.pdf>) in the spring, DO NOT COMPLETE the Elective Preference Form, unless, of course, you are a 4PD and need 4 hours of elective credit! 2 hours would be research, and you will still need to request a 'regular' 2 hour elective.

Just remember that 2 credits of lab is 6 hrs of actual time in the lab per week and 3 credits is 9 hours, if you are a 1PD or 2PD (that is, if you will be around the whole 16 weeks).

3PD & 4PD: DOUBLE THAT EFFORT -- 12 hrs a week for 2 credit hrs and 18 hrs a week for 3 credits!

The 59XX series courses are departmentally controlled. Just email me, copying the faculty member, with your intention, and I will register you for up to two credit hours.

Remember, these decisions need to be made no later than October 30!

Section numbers for GAINESVILLE CAMPUS ONLY courses can be found at the COP Student Affairs website

Distance Campuses

Campus Coordinators will post section numbers to the website later this week, well in advance of October 30.

Please make sure all holds are cleared from your record!

If you have never registered yourself before, please take advantage of the ISIS Tutorial on the website.

You must use your GatorLink ID and password to register. If you have forgotten your GatorLink password, you may call the UF Computing Help Desk at (352) 392-4357.
